Southampton University graduate turned entrepreneur extraordinaire, Shirin Dehghan's journey has taken her from her first position at Southampton Science Park, through a rule-breaking blue-chip career to ultimately successful businesswoman.

As Founder and Chief Executive of Arieso, she saw her software used at the 2010 FIFA World Cup and the London 2012 Olympics, before selling her pioneering business for \$85m.

Winner of numerous awards including Blackberry Woman in Technology, Business Woman of the Year 2013, and European Entrepreneur of the Year 2013. This is one speaker not to be missed!

Sam Carter, Bombay Sapphire's Senior Brand Ambassador, will be here too, providing seasonal refreshments and tempting us with an expert cocktail demonstration.

**Join us for this inspirational evening.**

Secure your place now to hear Shirin's success story, savour Bombay Sapphire cocktails and end 2017 on a high!
