18 January 2018

Dear Sir/Madam,

M27 Junctions 3 to 4 Southampton (Hampshire) Resurfacing

I am writing to advise that Kier Highways, on behalf of Highways England, will be undertaking a series of resurfacing schemes along the M27 near Southampton, to ensure the network remains in a safe condition for road users. Work will take place along the east and westbound carriageways between junction 3 (Southampton) and junction 4 (Chilworth), and along the eastbound exit slip road at junction 4.

Highways England undertakes the majority of resurfacing works on the Strategic Road Network using a lower noise material. This material is thinner than conventional Hot Rolled Asphalt and has qualities which reduces noise levels.

In order to carry out the work as efficiently and safely as possible, the following traffic management restrictions will be in place overnight (between 9pm and 6am, Monday to Friday only):

- **Monday 22 January for five nights** – lane closures only on the eastbound carriageway
- **Monday 29 January for five nights** – lane closures only on the westbound carriageway
- **Monday 5 February for up-to four weeks*** – full closures of the eastbound carriageway from junction 3 to junction 5
- **Monday 5 March for up-to four weeks*** – full closures of the westbound carriageway from junction 5 to junction 3

**Please be aware that if work on the eastbound carriageway under full closures is completed earlier, then the westbound road closures will start on Monday 26 February*

During the closures the following clearly signed diversions will be in place:

- **Eastbound junctions 3 to 5** – Travel north on the M271 then A3057 towards Romsey, east along the A27 through North Baddesley and Chilworth down to the Chilworth Roundabout (past the Hilton hotel), east along the A27 Bassett Green Road, then north onto Stoneham Way to join the M27 at junction 5

- **Westbound junctions 5 to 3** – Travel south on Stoneham Way, turn right onto A27 Bassett Green Road, around Chilworth Roundabout, continue on the A27 through Chilworth and North Baddesley, then south on the A3057 and M271 to join the M27 at junction 3

Please be aware that these works have been carefully programmed but are subject to change due to weather conditions or unforeseen circumstances – **confirmation of the closure dates will be displayed in advance on signs alongside the M27.**

We would like to apologise in advance for any inconvenience or disruption caused during our work; if you have any questions, or if you'd like you know about our work please contact us on 0300 123 5000 or email info@highwaysengland.co.uk

Yours faithfully

Kathryn Blofield
Communications Coordinator

This project is registered with the Considerate Constructors Scheme, a voluntary initiative designed to improve the image of construction. By registering this project, we have committed to adhere to the Scheme's Code of Considerate Practice which asks that we care about our appearance, respect the community, protect the environment, secure everyone's safety and value our workforce.
